What we offer:

- ✓ ROOM: a private (one room per family) 11x11 room with a twin bed, window, and ceiling fan – building has central heat/ air to each room
 - ✓ BOWLS: stainless steel food and water bowls
 - ✓ BEDDING: twin fitted sheet on bed
 - ✓ FOOD: purina dog chow
 - ✓ TREATS: Milkbones offered at naptime and bedtime
 - ✓ CONVENIENCE: a refrigerator for refrigerated foods or treats from home
-

What to pack:

- VACCINATION RECORDS: updated vaccination records (you can also email these to allison@doecreekkennels.com before your visit)
- MEDICATIONS: any medications with pill pockets if needed (peanut butter or cheese are also acceptable to bring)
- FOOD: if your dog eats anything other than purina dog chow, it's a good idea to bring his/her food from home (feel free to bring wet foods or broths to encourage eating)
- SCOOP: if you're bringing food from home, please bring an appropriately sized scoop – whatever you usually use at home is fine
- TREATS: if your dog prefers something other than milkbones, please pack what he/she likes
- COMFORT ITEM: usually a blanket from home that we can put on the bed adds comfort
- TOYS: if you think your dog would like to have a favorite toy/bone in their room, please feel free to bring something
- CASH OR CHECK: we can't accept credit or debit cards here, so please remember the checkbook, or bring cash for payment
